And also helps people who have health problems, e.g:

- Diabetic, heart disease, asthma, irregular menstrual, kidney disease and so on.

Features:

- 1) Comprehensive working functions adjusted according to the different diseases.

- 2) Increasing the air negative ions in body to purifying blood, improving the metabolism.
- 3) Medical CE, ISO 9001:2008, ISO 13485:2003 approved.
- 4) Auto power -off technology is used.
- 5) Wide AC frequency max 90Hz is available.
- 6) Cushions for sitting or sleep is optional.
- 7) Supporting two patients for treatment.

Parameters

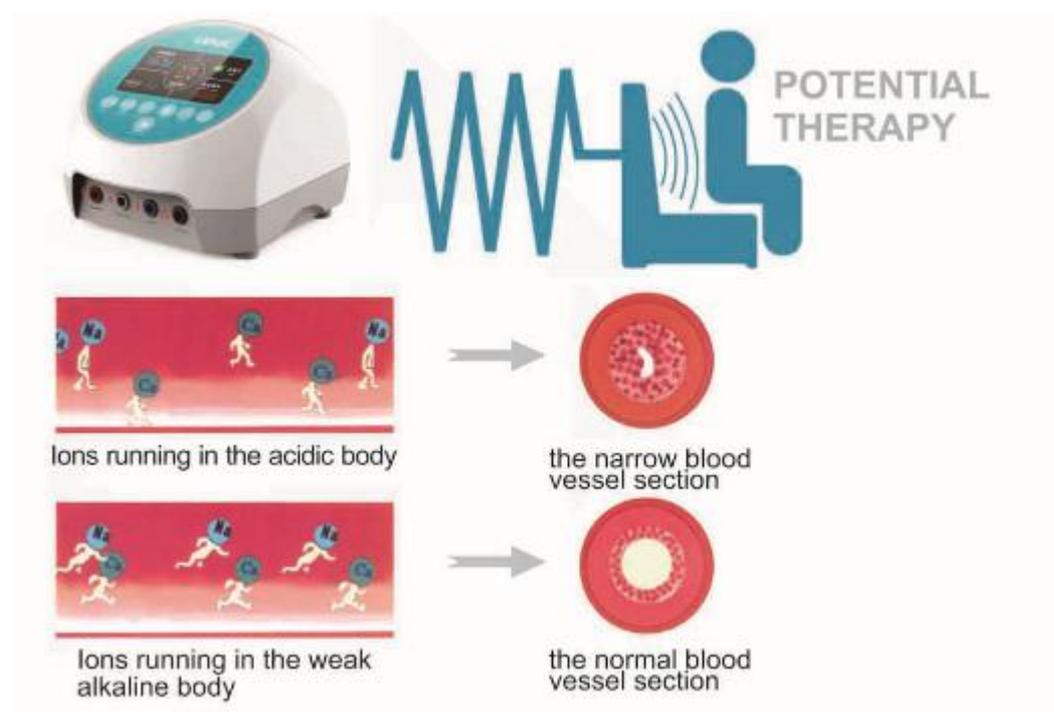

Item	Description
Voltage	AC 220V/50Hz 110V/60Hz
Input Power	25VA
Fuse Wire	T1.6AL/250V
High potential output voltage	5000V 7000V 9000V
High potential output Frequency	50Hz
Negative potential output voltage	-5000V -6000V -7000V OR -4000V -5500V, -7000V
Negative potential output frequency	50Hz
High frequency output voltage	2800Vp-p
High frequency output frequency	80 KHz
Output concentration of negative ions	≥10 million /cm ³
Display	LED Digital Screen
Default treatment time	30min
Treatment timing method	all the functions except the sleeping function, applying the timing method such as count down
Timing range	the maximum timing for the sleeping function is 12 hours
Other functions	the maximum timing is 90 minutes
Timing method	10minutes per shift
Overall dimension	Big one: 370*300*510mm Small one: 420*370*340mm
Gross Weight	Big one: 8.1kg; Small one: 7.15kg
Net weight	Big one: 7.95kg; Small one: 7.05kg

High Potential Function

“30 minutes has similar result like relax massage for 2 hours”

High potential function helps for stimulating blood circulation, regulating blood pressure and improving immune system. When micro electric intervenes human nervous system, endocrine system will automatically be regulated. Applying High potential function for 30 minutes has similar result like relax massage for 2 hours.

Indication: Arthritis, osteoporosis, muscles stiff and chronic pain, osteoporosis, wound healing, Insomnia, Cardiac-cerebral vascular diseases, stroke etc.

Negative Potential Function

“30 minutes has similar result like relaxing in forest for 5 hours and full body massage for 2 hours”

ULTRA Negative Potential Function helps to prevent arteriosclerosis, activate human body's enzyme function, improve acidic body condition (from acidic body condition to low alkaline body condition, pH = 7.36 – 7.44) and remove free radicals in body. Applying 30 minutes for ULTRA Negative Potential Function has similar result as relaxing in forest for 5 hours and full body massage for 2 hours.

“Apply 60 minutes for Ultra Micro Potential Sleep Mode function has similar result as deep sleep for 2 hours”

Ultra Micro Potential Sleep Mode function can continuous use for 6 hours, can make your body fully rest. Apply it for long term, can helps to reduce blood stickiness, accelerate blood sugar decomposition, and regulate function of

system endocrine, at the same time, it can improve your sleeping quality, balance your hormone, increase cell metabolism, make your stamina double.

Indication: Headache, nerve diseases, Chronic constipation etc.

High Frequency Function

“30 minutes has similar result like doing exercises at outdoor for 3 hours”

High frequency function helps to increase metabolism of body cell and immune system will improve, burn fat of body, beauty, allaying the tiredness, weight lost.

” Apply 30 minutes for high frequency function has similar result as Sauna for 1 hour or SPA for 1 hour”

Indication: Cholesterol, skin sensitive, weight lost and so on.
